About Me

I was born on Dec 23rd, 1994 in Barcelona. I am a 24 year old student, currently in my last year of a Bachelor Degree in Computer Engineering, with major in Software Engineering at FIB - UPC. I worked for almost 3 years in Nexica as Support and Java developer and currently I am working in Capside as Sysops Engineer.

I like learning new thinks and taking new challenges. Also, I am organizer of HackUPC, the biggest student hackathon in Europe, leading the HackerXperience team.
